

District Three Cares

Join us as our schools collect money, supplies and water for the families in Texas and Louisiana who have lost everything as a result of Hurricane Harvey. Below is a list of our schools and their projects. Please help us to help others. Thank you.

Cannons Elementary School	"Helping Houston" fund. The school will be collecting donations of money for the Red Cross.
Clifdale Elementary School	"Love our Passengers in Texas Care Package (As part of being an Energy Bus School.) Accepting donations of socks, toothbrushes, toothpaste, comb/brushes, deodorant unscented lotions, diapers, diaper wipes, puzzles, and word search books. Items will be collected through Monday, September 11.
Cowpens Elementary School	Helping Hands: Children Caring About Children. The school is asking for diapers of all sizes and baby wipes. Children who donate will write a message or draw a picture for the victims on a hand cut-out. We will attach the hand to the donation so that the victims see that a child donated and the donating child giving becomes a part of the donation.
Pacolet Elementary School	Quarters Because We Care. Each student will have a quarter wrapper to fill and return. The money will be given to Red Cross.
Cowpens Middle School	Because Raiders Make a Difference: CMS will be a drop off location for the following items: toothpaste, toothbrush, bottled water, wipes, etc.
Middle School of Pacolet	MSP is collecting monetary donations. Each HR is trying to raise at least 100.00 by Friday. We are submitting the money to the Red Cross.
Broome High School	BHS will partner with a high school in Houston. A former JROTC instructor is now in the Houston Area. He working with us to coordinate with a local school in Houston that the school will help, much like they did with Green Sea Floyds High School last year. SGA, Band, Athletics, JROTC and Beta Club are working together to try and make this happen. More information will be coming regarding this drive.
Daniel Morgan Technology Center	Hurricane Harvey Support Drive. DMTC is having a drive to collect water, toiletry items, and non-perishable food items.
