**Spartanburg School District 3
ACADEMIC ATLAS 2020-2021
Parent Nomination Form**

The following list describes some of the characteristics of intellectually gifted or academically talented students:

1. Displays a great deal of curiosity about many things
2. Thinks of many ideas or solutions to problems and questions
3. Has an active imagination
4. Is a risk-taker, adventurous
5. Has a keen sense of humor
6. Has advanced vocabulary, expresses themselves well
7. Enjoys reading for information and pleasure
8. Is persistent and sticks to a task
9. Learns rapidly and easily
10. Is very observant

If you feel that your child exhibits many of these traits, and you would like him/her considered for the Spartanburg School District 3 ATLAS Program for the Academically Gifted, please complete the following information and return it to your child's school by the date listed above. Later, you will be notified about the testing procedures and schedule for your child.

(Note: It is not necessary to nominate second graders since these students are routinely screened for acceptance into the program.)
