May

Message from Mrs. Berry

We are working diligently to provide the safest way to allow you to be a part of your child's Award's Day. We ask for your patience as we finalize a schedule.

Students will participate in field day activities; however we will not be able to accommodate parents during field day. Please feel free to contact me if you have any questions or concerns.

With Panther Pride,

Allison Berry

Counselor Corner- Ms. Stephenson

We will not have a character word this month and we will not have guidance lessons in the month of May due to testing. However, we just finished up testing anxiety and strategies lessons with our 3rd, 4th, and 5th graders to make sure they were ready for the test!

INFORMATION

Art

Bradley is the Artist of the Month!
Bradley is in the 4th grade and painted a Japanese cherry blossom tree. He even painted the Japanese character for Spring!

PE

Students in 3rd 5th grade will be completing fitness gram testing which tests the students on their cardiovascular endurance, muscular strength, and flexibility. Students in K-2nd grade will focus on juggling, balance skills, jump rope, and hula hooping.

Library

As we approach the close of this school year, it is time to round up all of the library books! If your child has books checked out, please remind him/her to return those to the library by May 14. Students will each receive an updated list of books to return the week of May 10th. During the summer break, all students will continue to have access to our online reading resources including Pebble Go, Bookflix, and Capstone Interactive.

Literacy

Talking About Books!

Pacolet Elementary students have soared high this spring with some amazing reading goals! Each class set a goal and worked hard in the month of March to reach those goals! Each class read books, learned vocabulary and increased their stamina over the course of the challenge! To celebrate all of the hard work, each class enjoyed a party of ice cream, cotton candy or popcorn! Way to go Pacolet Panthers!

Music

The 4th and 5th grade students have been working hard learning the last few songs in the Recorder Karate curriculum. I feel confident several will earn their black belt before the end of the year!

Thank you for your support during this very challenging year. Students in every grade level have made great progress in music class. I know I will hear wonderful things about them as they continue to grow musically, academically and socially.
